WEDDING

The Wedding Charter price includes Ceremony and Reception for 2 hours up to 60 people. The capacity is set to 60 people due to being only able to sit 60 people upstairs for the Ceremony. If you are wanting to have more than 60 guests, we suggest you have your rehearsal dinner or reception on the boat and not the ceremony. Not having your ceremony on the boat will increase your capacity to 100 people and lower the cost to the normal charter rate (weekday or weekend rate).
